

HAVING TROUBLE DISPOSING OF OLD FUEL TANKS DUE TO FUMES AND ENVIRONMENTAL RULES?

**FINELINE FUEL SYSTEMS OFFERS AN
EASY TO USE, SINGLE STEP TREATMENT
THAT CLEANS AND DE-FUMES YOUR
OLD GAS TANK.**

It's environmentally
friendly and easy to use
- just add water, pour it
into the empty used
tank, and swish it around
until it coats all the
surfaces. Then just
pour it down the drain!

- ✘ No more dump disposal fees
or environmental concerns.
- ✘ No more gas fumes in your
work area.
- ✘ No more labor intensive
cleaning.
